SOUL SOOTHING KOTHAGIRI OVERNIGHT TOUR

The tour takes special care of floral enthusiasts. The tour takes you into the soothing embrace of Nilgiri Hills. Translating literally into "mountain of kotas", Kothagiri is historical homeland of "Kota" tribes of Southern India. Driving through the picturesque roads and the signature tea gardens of the south, through Kothagiri hills, closely observe the impact of anthropogenic activities on naturally occurring vegetative biomes. The tour gets further informative with next stop being the Sim's Park, which is a Botanical Garden established long ago in 1874. The Botanical garden is known to house both local and exotic as well as some unusual plants. After the visit to the park, there is drive through the hills back to Coimbatore.
