

# THROUGH THE ALLEYS OF THE PAST

DAY TOUR

After breakfast at the Coimbatore hotel (not included), the tour takes you to the outskirts of the city, to visit the Marudhamalai Arulmigu Subramanya Swami Temple. It is a 12th century hill temple, located on top of a 600 ft high granite hill. The word Marudhamalai comes from the native tree Marudham (*Terminalia arjuna*) and malai means hill in Tamil language. Climbing down from the hill you enter back into the city to see Gass Forest Museum. It is located in Forest College Campus and was established at the end of 19th century. It is run by the Institute of Forest Genetics and Tree Breeding (IFGTB) and showcases over 10000 exhibits related to wildlife, timber, and even an asteroid that will grab your attention. The final stop is Gedee Car Museum, a private collection of over 100 vintage cars belonging to GD Naidu Charities. Tour ends at lunch time (not included) and takes you back to the hotel.
