

ANAMALAI HILLS

DAY TOUR

After breakfast at the Coimbatore hotel (not included), the tour takes you to the spectacular Thirumurthy hills and view of the dam and the reservoir. Sixty feet high, the dam was built in 1966 across river Palar and is another tourist attraction. Thirumurthy means three idols and reason it got its name is due to the temple Arulmigu Amanalingeswarar Temple that is a sacred place for Hindus and holds great significance. These hills are also famous and known for the Universal Peace Foundation who organizes yoga sessions in the serene landscape of the hills. You can have lunch at local restaurants after visiting the temple and drive back to Coimbatore.
