

Bridging the gap between scientists and restoration practitioners to promote natural regeneration of forests

Restoration goals face important challenges and the contribution of natural regeneration remains strongly debated. We will host a diverse panel of experts to debate these issues, followed by a session of break-out rooms where participants will brainstorm about potential solutions.

July 26th, 2021 @ 10 am - 1 pm (Colombia Time)

Register [HERE](#). *Event is free and open to all!*

Zoom link will be sent by email after registration

Moderator

Dr. Robin Chazdon, University of the Sunshine Coast, Australia & University of Connecticut, USA

Opening Speaker

Dr. Pedro Brancalion, University of São Paulo, Brazil

Panelists

Dr. Danielle Celentano, Conservation International, Brazil

Dr. Renato Crouzeilles, International Institute for Sustainability, Brazil

Dr. David Douterlungne, Instituto Potosino de Investigación Científica, Mexico

Dr. Juan M. Dupuy, Scientific Research Center of Yucatan, Mexico

Slideshow Presentation

“Panorama of Assisted Natural Regeneration in Practice” by Mariana Oliveira, WRI Brazil
